Parents E-Safety Workshop & New Website Launch

1.50pm Pick-Up and Parking Arrangements

hours symptom free before returning to school especially after a bout of vomiting and diarrhoea. Please make sure that your contact details are up to date.

HEAD LICE! – None of us like to hear those two little words but unfortunately head lice are always going to be about either in school or out and about where ever children congregate. We remind you that it is parents/carers responsibility to check their child/ren very regularly and treat as necessary. It is not the school nurse's responsibility to check for head lice anymore so we ask parents to be vigilant. Please let your child's class teacher know if a presence is discovered.

Healthy Eating

Monday 9th November sees the start of 'Healthy Snack Week' with fun ideas to help introduce healthy snacks and lunchboxes. This information is being sent home on a separate note with this newsletter!

INTERNET SAFETY WORKSHOP FOR PARENTS

Monday 9th November at 7pm

Do you know who your child is **REALLY** talking to online?

All parents are encouraged to attend this important meeting regarding your child's internet safety as part of our Child Protection Programme.

To help alleviate the congestion in the main car-park at 1.50pm, the main playground will now be open for cars to park in. The gates will close again by 2.05pm so that sporting/PE activities can continue as normal. Should you normally park from 2pm to pick-up again at 3pm, we would ask you to park in the main car park. We would also ask your assistance in not entering the staff car park either to drop off or park. This area is out of bounds for children.

BALLOON LAUNCH UPDATE

Two more balloons have turned up – one in The Mull of Kintyre in Scotland and one in England! Who knows where the next one will turn up?

SCHOOL HEALTH

Unfortunately your child may become ill in school from time to time and at the moment there is a nasty tummy bug doing the rounds in school. On the advice of the School Nurse, we would ask that your child to be at least 24

Monday 9th November sees the official launch of our new school Website and we invite parents/carers to come along to view it as part of our E-safety workshop for parents @7pm in school hall. We continue to populate the website with information on a daily basis so please log on Monday to see this exciting development for the school. We'd be very interested in your feedback on the new site either positive or how we can improve it. No doubt, it will evolve over time.

A huge thank you to Mr Hannigan and all the staff for their help in getting the site to this stage.

SHOE BOX APPEAL

Last week to donate!

The Shoebox Appeal collection finishes on Friday 13th November

We've collected just over 80 shoeboxes so far so there's still time to make a donation to this worthwhile cause.

The staff of Omagh Integrated P.S. & Nursery have agreed to ask parents and children to **fill a shoebox in lieu of presents for staff**

this Christmas. If you wish to show your appreciation a simple card will suffice. We really hope that each family in the school will be able to donate a shoebox and support those most in need.

RUGBY TOURNAMENT

Omagh Accies Rugby Tournament

On Monday 26th of October the after-school rugby squad braved the elements at the Omagh Accies Rugby Tournament. The players all played with focus, determination and discipline. Thanks must go to Aubrey, who has been preparing the players every Wednesday! Well done everyone!
