Dear Principal/SENCo,

Please find enclosed details of training we are hosting in September and October 2018. The Middletown Centre for Autism are facilitating and will share extremely useful techniques and strategies for parents, classroom assistants, teachers and SENCO's to use with children who have ASD or ASD type tendencies.

Parent training is from 11am- 1pm and professional training runs from 3pm-5pm on the dates overleaf. Sign up for these events will be via <https://www.middletownautism.com/> when the link becomes live in August and each staff member or parent must sign up individually (resources etc. will be shared via email). There is no cost for the training and light refreshments will be provided on arrival.

We look forward to seeing some of you at the training in the new school year.

Yours Sincerely,

A handwritten signature in black ink, appearing to read 'E. Donnelly'.
